

REACH Declaration

June 2023

Related Fluid Power Ltd affirms that as an article producer there is no obligation for our company to register or pre-register. We also do not affirm that our upstream suppliers or downstream customers require registration or pre-registration.

Related Fluid Power affirms that our products comply with European Union (EC)1907/2006REACH regulations regarding Substances of Very High Concern (SVHCs) which came into force on 1st June 2007 and which contains a candidate list which is updated from time to time. If such substances do exist in our products they are in concentrations less than 0.1% weight by weight as per Regulation (EC)No1907/2006 Article 57 and accordance with Directive 67/548/EEC and criteria set out in REACH Annex X1V.

As REACH is updated from time to time, we will monitor and update this declaration as required. This declaration represents the company's best knowledge and information provided by our upstream suppliers where applicable. We will continue to engage with our suppliers to seek confirmation of their own compliance with REACH regulations in the articles they supply us.

Related Fluid Power assumes no additional liability for the accuracy of this declaration. This data is deemed accurate but not guaranteed.

A handwritten signature in black ink, appearing to read "Jonathan P. Spittle".
